Sitting just steps back from the Beach, this unique property offers a wonderful beach escape and easy maintenance for the new occupant. Sitting beside a grand main residence, this two bedroom property has been a granny flat for many years and is now being offered to the rental market for the very first time. With its own private entrance, this property is completely detached from the main residence. Inside you will find two very spacious bedrooms, a modern kitchen and bathroom and a private living space. There is even a back deck overlooking the tropical garden. Air-conditioning is fitted to the main living area. There is a bonus sunroom at the front of the residence, this could be perfect for a home office if you need it. Being this close to the beach, you enjoy wonderful sea breezes throughout this property. You will love the beachside living on offer here; long walks on the beach, an easy stroll to the Sunday markets and there is even a boat ramp just two minutes away making fishing trips a breeze. The lifestyle on offer with this property is simply unbeatable. This property is being offered partly furnished. Arrange your private viewing on this home quickly, this is a very rare property in the Bowen market.
