1631 sqm level block of land located along a peaceful coastal village on Tuggerah Lakes with the added value of private reserve at rear for even more additional space . Positioned between the river and lake on a private and scenic peninsula you have an opportunity to build a dream home with absolute river and lake views . South Tacoma is a peaceful and private enclave where you can fish, boat, swim, or kayak out the front of your home. Bushwalk at the end of the peninsular, stroll or sit along the river and bike ride with no through traffic. Enjoy abundant birdlife, pelicans and swans all in their natural environment. Close to major shopping centres , schools, restaurants, cafes and only 10 mins to the freeway. Less than 1 hr to Hornsby and regular bus service to the railway . The block has two large sheds and a concrete pad for a caravan ... boat included to go exploring the waterways ...Fully pegged ,surveyed and all services available . Enjoy some amazing sunsets over the lake from the back of this beautiful block and create your dream lifestyle .A tightly held area where land opportunities rarely come along .Please call / email for further information and to arrange an inspection .Recent area sales : 68 South Tacoma Rd ...\$1,750,000 35 South Tacoma Rd....\$1,400,000
