\$645,000

You won't find another like this spacious 4x2 with the most amazing side and drive through access to a very impressive extra size and height powered workshop. On a large 746+sqm block this one has plenty of room for everything and everyone! A viewing is a must to fully appreciate the size and features. A hidden gem the size of home will surprise you with a good size lounge to the front, and a spacious open kitchen / meals and family area to the back. Packed with features like extra storage you will love the walk in pantry and extra wet area / scullery area off the shoppers door and kitchen. With double size minor bedrooms, robes, ducted air conditioning throughout, security screens to the doors and window and more. With a great patio area and lovely lawned and gardens reticulated off a bore. In a wonderful location, walking distance local shops, restaurant, and amenities and not far from the beach and new golf course. No strata company, meetings, levies or joint insurance. Title, plans and walk through videos available upon request as well as offer paperwork
