Exceptional Modern Living in Mill Park Welcome to this stunning 5-bedroom home, situated in a prime location that's close to schools, parks, transport links and shopping centres. Over two levels, the home is on approximately 290 sqm and is ideal for families who crave plenty of space and a modern, newly established environment. The modern kitchen is fitted with stainless steel appliances and marble accents, creating the perfect environment for all of your culinary creations. As you step into the open plan living area, you'll be immediately drawn out to the decking which is ideal for alfresco entertaining. There's also a grassed area and shed for extra storage space or hobbies. On each level there are plenty of spaces to relax with air conditioning throughout the bedrooms and living areas - so you can stay comfortable all year round! The ground floor features one bedroom plus another two spacious living zones - giving everyone in your family their own spot to enjoy some peace and quiet. Upstairs, there are four more bedrooms as well as yet another living space offering even more room for entertainment or relaxation. Don't miss this incredible opportunity! With great amenities nearby such as Plenty Parklands Primary School, Mill Park Secondary College, Redlap Reserve, The Stables Shopping Centre and Westfield Plenty Valley - it won't last long!
