Tucked away on a cul-de-sac among family homes, this property is cleverly configured to offer a premium on entertaining, style, and family-focused comfort. A dynamic sequence of sunlit spaces makes use of the property's north-facing orientation, which elevates and warms the interiors. The separation between inside and out, marked by polished timber flooring on one side and a landscaped garden setting on the other, is bridged by an undercover alfresco and adjoining patio. A premium stone finish complements the kitchen's functional design, which includes stainless-steel appliances, central serving island, and high-volume cabinetry. Above, the intimate living quarters comprise two bedrooms with BIR, a family bathroom, and a master bedroom with WIR, A/C, and ensuite. Features include central heating & cooling, full-sized laundry, excellent storage, floor-to-ceiling bathroom tiling, and an internal access garage. Positioned with families in mind, live between Chelsea Bicentennial Park and the Edithvale Wetlands, and within easy reach of local schools and Chelsea station village.
