If you're looking for space and privacy then you've found it. This split level home home boasts a total of six, yes 6, bedrooms on a very private block with rainforest verge. The fully air conditioned entry level offers a big living area, kitchen and huge parents retreat with walk in robe, ensuite plus large storage cupboards. The upper level has the remaining 5 bedrooms (two of which would be ideal for offices) family bathroom and separate toilet. Downstairs has the laundry area, another toilet and heaps of storage all within the double lock up garage. Easy walk to the beach, restaurants, Woolworths and school. Looking for caring, long term tenants who can appreciate the extraordinary level of detail on offer. Unfortunately, as the block is unfenced, dogs are not permitted. **DISCLAIMER:** The rent on this property will increase to \$550 pwk on 1 October.
