Start, invest or empty nest, explore the options ...and discover the ultimate blue-chip hideaway! Hidden away in a groomed group at Sandringham's leafiest, loveliest cul-de-sac address, this two bedroom unit is ready to be discovered and appreciated for its classic quality renovation featuring an all-white prestige appliance kitchen with Bosch cooktop, its glossy fully-tiled bathroom with separate WC, and an expertly-fitted laundry with a deep washing hamper and the same fresh white finish! Finished with an eye to quality with authentic Australian hardwood floors, airy plantation-shutters and robes for each bedroom, this superior unit is impeccably detailed with a sparkle of designer pendant lighting, a swish of sculptural ceiling fan, and a blast inverter air-conditioning. Sized up with a dedicated dining space in the large living zone, there's even more outdoors with an easy-access garage at the end of the long drive and a very private paved courtyard with space to entertain and make a bit of noise or float away in perfect peace in fully-plumbed claw-foot bath! Secluded, yet central, to transport, the bay and village, this classic beauty has the bus to the station and Southland around the corner, the beachfront walking tracks within a couple of blocks, schools (including Sandringham Primary School and Sandringham House) within a walk and some of Sandringham's finest homes as neighbours!
