This brand new complex of eight single level community title villas offers innovative and modern architectural design, mixed with a position of convenient proximity. Enjoy both an easy few minutes' walk to the Nambucca River and local café, and only minutes' drive to Nambucca Village and all its services. The properties are architecturally designed, with all fixtures and fittings of the utmost quality, including stone bench tops and stainless steel appliances to the kitchen. Property includes air-conditioning and a 3Kw solar system. There is also a large and inviting alfresco area designed as an extension of the internal spaces making them a perfect match for either an owner occupier, downsizer or investor. Construction for this complex is all but complete, with some purchasers already moved in. So don't miss your opportunity to secure your pick!
