Spoil yourself with breathtaking village living from this superbly sized single-level unit ready to reveal an exquisite top-to-tail renovation executed with precision and a perfectionist eye for detail. Set on the largest allotment in the 4 home complex, the property provides a choice of alfresco settings and a surprisingly spacious lawn for kids, grandkids or pets to play behind secure fencing. Impressing with a crisp white-on-white palette, high ceilings and engineered-oak floors, the coastal-inspired villa flaunts 2 lovely living areas, while double-glazed sliding glass doors open to a brand new sunset deck to host friends in the beachside ambience. A striking cooks kitchen excites with stone benchtops and stainless-steel Westinghouse appliances, including a 900mm oven with gas cooktop and a dishwasher, along with a built-in stone breakfast table for casual meals. Providing a private oasis to retire to in the evenings, the oversized master bedroom with bay window is supplemented with a walk-in robe and elegant ensuite with frameless-glass shower, while a full second bathroom with bath, ducted heating, split-system airconditioning and a garage are among a list of extras. A leisurely stroll to cafes and bistros, supermarkets, bakeries, yoga studios, tennis courts, public transport and all essential services with a choice of beaches just beyond, this enviable home offers a resort-like lifestyle particularly suited to downsizers seeking low maintenance living at its finest.
