A decked entertaining area and spacious courtyard finished in exposed aggregate provide private enjoyment. Two master suites positioned upstairs are complete with built-in robes and boast hotel-quality private ensuites, fully-tiled with stone surfaces and honeycomb feature walls. Off the lock up garage, a full-size laundry and powder room, plus additional storage space. Extras include split system heating/cooling throughout, generous use of timber and stone finishes, under-stair storage and unparalleled access to local schools, Johnson Park at the end of the street, public transport, nearby sports and aquatic centre, and a location perfectly situated between Fairfield shops and the High Street shopping strip.
