All Offers Presented

Welcome to 4/103 Morrison Road, Midland. This stunning double story home is now available for sale and offers a comfortable and luxurious living experience. Greeted by a large staircase and high ceilings, this is complimented by its design with 3 spacious double bedrooms and 2 modern bathrooms, and an additional 3rd powder room for guests, this property is perfect for families or those looking for extra space. The home also features plenty of storage space and a double garage with shoppers entrance for secure parking for your vehicles which is also perfect for lock up and leave lifestyle. Situated in a central location with the added feature of ease of entry and parking, this property offers low maintenance outdoor space for you to enjoy including a balcony for a quiet place to unwind in the fresh air. The build quality and architecture of this house separates this complex from all of its competitors, with its spacious layout and attention to detail. The interior design is equally impressive, with high recessed ceilings, LED down lighting, ducted AC and quality flooring and finishes throughout. Located in a desirable precinct, this property offers an array of amenities within only a matter of minutes to major infrastructure like Midland Gate Shopping Center, Hospitals, the Swan valley and the Train station and a selection of public and private school options. This suburb has had an incredible increase in activity over the past several months. Don't miss out on the opportunity to make this house your dream home. Contact us today for further details or to schedule a viewing. **Whilst every care has been taken in the preparation of this advertisement, all information provided by SHERLOCK Homes Group, the Seller and the Seller's agent is provided in good faith, and we advise all prospective purchasers to make their own enquiries on all relevant matters**.
