The Craig Harper Team says this one will not disappoint and would suit the investor, first home buyer or a family wanting to downsize. This 3 bedroom townhouse situated in a secure gated complex in the heart of Woodridge with shopping centres, primary and high schools, day care centres and public transport all close by ticks all the boxes. Freshly painted throughout, new carpets and flooring, there is nothing to do but move in and unpack. Upstairs you will find 3 spacious bedrooms. The master has a double built-in robe whilst the other 2 have built-ins as well. The 3rd bedroom even has its own balcony which overlooks the complex. The modern bathroom with separate bath and shower is generous in size. Downstairs you will find open plan living and dining areas which open out onto a beautifully landscaped, and fully fenced private courtyard. The kitchen is equipped with new stove top/range hood and oven, pantry and plenty of cupboard and preparation space. Additional features include: roof insulation, security screens, under stair storage, single lock up garage with internal access and visitor parking. This one will not last long, so make it a priority on your list of inspections and call Craig to arrange a time to inspect.
