\$520,000 - \$570,000

Perfect situated so that all the best attractions of West Footscray are within walking distance - enjoying car free living is entirely imaginable here - this inviting unit takes single level style to a higher plane. Wine bars, restaurants, cafes, SIMS IGA, Shorten Reserve and the designated dog park are all within the orbit of an address featuring timber flooring, a fresh look and a fabulous feel. The living/dining area and its well designed open-plan kitchen are complemented by two bedrooms, each with built-in robes, including a main bedroom that opens to the private courtyard retreat at the year. An immaculate bathroom and separate laundry further enhance a property that makes investing in the west a certain success. A boutique development and its own secure garage seal the deal!
