\$851,000

Spaciously proportioned and thoughtfully laid out, this two bedroom home is blessed with a northern aspect and a lock up garage. Tucked peacefully at the rear of a broadly laid out block, this renovated courtyard villa provides a private homely haven in a convenient location. With warming wood floors that flow right through, the home comprises an open plan living and dining zone illuminated by large picture windows that are furnished with plantation shutters and open onto a wraparound courtyard with pergola – perfect for year-round entertaining. Served by a quality kitchen with gas cooking, dishwasher and terrific storage. Two robed bedrooms are separated by a brilliant white bathroom with tub and a separate laundry. Also features RC/AC and an auto garage with easy access straight to your front door in a tightly held block of four. Centrally located between Hughesdale and Oakleigh hubs for a choice of cafes, restaurants, shopping, trains and buses. A five minute stroll will take you to Temperance Society, Murrumbeena Reserve and Galbally Reserve. There is no shortage of schools in the area, with the nearby Hughesdale Primary School, Oakleigh Grammar, Sacred Heart College and Headstart Early Learning Centre. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
