We are excited to bring to the market this spacious, contemporary, 2-storey townhouse within close proximity of schools, shops and services in Kingston. The ground level features the living areas which are generously proportioned and open plan in design. Light and bright with a neutral colour scheme, you'll have this room furnished with your own style and feeling like home in no time at all. There are glass sliding doors opening to an outdoor deck. The kitchen is sparkling white and features beautiful stone benches. It offers a plethora of storage options together with generous preparation areas and stainless steel appliances. Also on this level, you'll enjoy the convenience of a powder room, together with laundry and of course, the garage. On the upper floor are the private spaces, and here, you'll discover 4 generous bedrooms (or 3 and a casual living area). Each room enjoys beautiful mountain views. The family bathroom is on this level whilst the master bedroom is serviced with both a walk-in robe and stylish ensuite. Outdoors, the yard is nearly level, and there are some lemon trees. This property is ideal for professionals, families or investors who seek a low-maintenance property in a super convenient location. Please contact Gary or Iris to arrange your personal inspection of this stylish townhouse.
