This beautiful 2 bedroom, 1 ½ bathroom town house is nestled in the quiet complex of “Kiranou Place”. Being an end unit with 326 Square meters on title gives fantastic outdoor living space. The owner has created a feeling of inside/outside living by installing double stacker doors from the lounge to the outside entertainment area. The town house is unusual, in that it has a 2 car carport plus side access for room to park your boat trailer or a third car. Walk to the foreshore, great lifestyle living.
