Get ready to fall head over heels in love with this captivating apartment, located on one of the neighbourhood's prettiest tree-lined streets. As part of a beautiful Victorian mansion-style block with just six apartments, it offers a truly unique and intimate living experience. Upon entering, you'll be immediately awestruck by the breathtaking 'mile-high' ceilings that add a spectacular vertical dimension to the generous spaces. Baltic Pine floorboards flow seamlessly beneath your feet through the living and dining room, which is open to a timber-topped kitchen. Large, era-specific windows flood the interior with natural light, creating a warm and inviting atmosphere. A few steps up lead to the generously sized bedroom, complete with a sitting area or an optional work-from-home space. The bathroom, adorned with classic black-and-white tiled floors, also features washing machine taps. Additional highlights of this exceptional apartment include secure intercom entry, panel heaters, secret storage, and a prized car space. The prime St Kilda Hill location offers easy access to all the area's exciting amenities, including Albert Park, the beach, and the vibrant Fitzroy, Carlisle, and Chapel Streets. With trams and Windsor Station within walking distance, getting around the city is a breeze. This is a rare find, combining historical charm with modern convenience in a highly desirable locale.
