This functional two bedroom unit is located close to shops and schools in popular Gillen. As part of a small complex of four, this unit has access to a large shared garden area that is regularly maintained, as well as a private paved yard at the back with a storage shed. The living area has a split system air conditioner installed, with evaporative cooling throughout the rest of the property. Both bedrooms have built in cupboards and the bathroom includes a small bath space in the shower enclosure. Undercover off-street parking for one vehicle is also included. This ample unit is available now and well worth an inspection.
