Join a privileged few at this boutique selection of five luxurious and contemporary residences in one of Melbourne's most affluent suburbs. Behind the eye-catching façade, each of the five stunning showpieces elevates the concept of sophisticated class to new heights. All about space, light and pared-back style with a no expense spared approach to detail, the dynamic designs deliver the ultimate in upscale living. Near to Bay Street and Martin Street shopping precincts and the bustling activity of the coast, Awaken unites residents with the cosmopolitan appeal of Brighton. As Skelton's second luxury bayside development with Brompton Construction, the project's proven partnership will once again ensure an exceptional outcome. Masterfully conceived by renowned architect Nicholas Wright, this block is less than 2 years old. This spacious residence on the 1st level has 2 bedrooms with walk in robes, each with a bathroom. A separate office space and a full size laundry. The living space opens onto a balcony for entertaining. Immaculate finishes add to the warmth of this spacious home.
