Welcome to this 3-bedroom, 2.5-bathroom, double garage townhouse located in the heart of Bayswater. This modern-styled home offers a unique design with the living room separated from the kitchen-dining area, providing you with more flexible space planning options. The modern kitchen is equipped with high-end appliances and a long central island, allowing you to showcase your culinary skills. Additionally, there is a bathroom on the ground floor, enhancing overall practicality. Heading to the first floor, you'll be pleasantly surprised by the three bedrooms. This floor creates a clear distinction between active and quiet areas compared to the ground floor. Among them, one bedroom features an ensuite bathroom, while the other two share a bathroom with a bathtub. The location of this townhouse is excellent, adjacent to Bayswater train station and the commercial street, just a ten-minute walk away. Schools are also conveniently close by, with Bayswater Secondary College a two-minute walk and Bayswater Primary School a twelve-minute walk. For shopping needs, walking distance to local Woolworths, Westfield Knox is a seven-minute drive away, and Costco and Eastland Shopping Centre are reachable within an eleven-minute drive.
