Balconies abound in this over-sized coastal unit in the ever-popular Centrepoint complex! Moments from Forster Beach and even closer to the town centre, this is your ticket to a beach lifestyle where convenience reigns supreme. Don't miss out! Entering into the solidly constructed apartment, it's clear it was built with spacious living in mind. A long passage leads into the thickly carpeted dining and living area, awash in natural light and featuring a ceiling fan for comfort. From here, sliding glass doors lead to the main balcony, a sprawling covered space that's perfect for entertaining. Adjoining the dining is the well-equipped gourmet kitchen. An electric stove and oven, ample cabinetry, plenty of bench space and eye-catching tiling make this a worthy base for your culinary adventures! There are two bedrooms, both large in size and each coming with their own private balcony with sliding door access. It's a lovely touch that is rarely found on two-bedroom apartments! Each bedroom also has thick carpets and a ceiling fan, and there is a built-in robe to the larger one. A shiny main bathroom services the home, complete with a separate bath and shower and a vanity. It's complemented by an internal laundry, and there's a linen cupboard too for extra storage. Located on the doorstep of Forster town centre and a short walk from the beach, you're in the heart of everything here. Perfect for sea-changers, downsizers or investors, this is a beautifully presented home that won't be on the market long. Get in touch with the JKL team to make it yours!
