My seller is ecstatic with the excellent record result obtained in just 1 DAY selling OFF-MARKET. Using my massive client database we reached out to all our potential buyers waiting and arranged an appointment ASAP. With the current market surging an offer was submitted, negotiated and a successful deal done with all parties very happy and satisfied. SOLD BY "MR BELMONT" After selling real estate in the City of Belmont for nearly 30 years, no one has a more consistent track record in delivering full market record prices for property in the area. Take full advantage of my 50-year local knowledge, cutting edge marketing, extensive client network and above all my superior people skills. If you are looking to sell your property and would like to know more about OFF-MARKET sales and selling via EXPRESSION OF INTEREST, you need to contact me today!
