Newtown Bohemian by nature, Newtown is a neighbourhood that thrives on the fringe. Eclectic and artsy with elements of grit, Newtown has established a name for itself on the local and international art and theatre scene. The focal point is King Street, which is both a foodie's destination and a place to nab a quirky find. From the main hub to the narrow backstreets, Newtown likes to push the boundaries. Offbeat and arty, Newtown has evolved from its blue-collar roots into an area that oozes all things bohemian. Although in more recent times the neighbourhood has seen a wave of gentrification, the locals have remained true to their eccentricities and the newbies have embraced them.
