Located in a quiet area, this 2-bedroom villa is a great option for those who want low maintenance, are downsizing or just starting out. A modern kitchen with lots of bench and storage space as well as the living area is located at the front of the home and soaks up the natural light. Both bedrooms offer built in wardrobes, the bathroom and laundry are spacious and you will be kept comfortable all year round by the reverse cycle split system. This unit is located at the rear of the property and is perfect for those that may have a younger child or just need an easy-to-mow flat yard. Private, quiet, and very well presented, this property has off street parking and is looking for someone to call it home! Sorry not suitable for pets.
