"Light, style and designer quality are all raised to new heights in this cool creative apartment," says Newtown specialist and local real estate agent Charles Bailey. "This boutique 1970s brick building has been transformed by leading architect David Boyle and produced a very unique living environment that combines fresh contemporary additions with a vintage retro feel," he adds. "This great low maintenance property is also located with all the action along King Street and Enmore Road just a few blocks away."- Aust Institute of Architects NSW multi-award winning redevelopment- An eye-catching retro façade with a welcoming entrance and foyer - Private top floor position in a block of four with no common walls- Very well-designed so that all major rooms capture great natural light- Crisp modern decor, exposed brick walls and polished oak flooring - A generous open living and dining space leading to a sunny balcony- Two peaceful and bright bedrooms both have custom built ins- Ducted air-conditioning, intercom entry and two car spaces on title
