Hiding behind a Neil Architecture designed facade. This cleverly conceived this fully renovated & extended first-floor apartment is sure to stand out from the crowd with its expansive floor plan, luxury features and brilliant city-edge location. One of only 7 apartments in a truly boutique block, the stunning interior features 2 double bedrooms (with robes), deluxe bathroom - all off the central hallway, plus a huge open-plan living/dining area complemented by a classy stone-bench kitchen with Blanco cooking appliances and dishwasher. Other highlights include, washing machine, heating/cooling and alarm system, secure entry, sunny decked courtyard with northerly aspect, car space. All this in a sought-after Richmond pocket, stroll to Bridge Road shops/eateries and trams to the CBD.
