Superbly positioned between Niddrie and North Essendon Village, Main Road Real Estate proudly presents an unmissable opportunity to secure a larger than life, yet low-maintenance, split-level apartment, with grand proportions more akin to townhouse living. Entering at the ground floor, the traditional entryway makes an impression with beautiful timber flooring and staircase, as well as cascading ceilings. Zoned away from the living spaces, the home's two bedrooms are situated on this level, ensuring a good night's sleep. Boasting two elegant master suites, each sleep sanctuary is fitted with plush carpet underfoot, a built-in robe and private ensuite, while benefiting from direct access to the balcony, which is a perfect spot to wake up over morning coffee. Ascending the stairs, the first floor epitomises an elegant, open-plan living experience, accented by high, slanted ceilings and intuitively placed picture windows, maximising natural light. Built for entertaining irrespective of the weather, enjoy transient indoor-outdoor dining in the warmer months with the choice of two balconies, while also appreciating the beauty of rain with a backdrop of twinkling lights. The one-wall kitchen showcases quality appliances, including induction cooktop, under-bench oven and dishwasher, complemented by a deep double sink and an abundance of storage throughout with no fuss, easy to wipe down surfaces, getting you back to the things you love sooner. With a total of two bathrooms plus a separate powder room, each space has been curated to ensure the highest experience, whether you're getting ready for the day or unwinding at the end of the week. The ensuites on the ground floor each comprise a glass shower with handheld head, vanity with in-built storage and sleek toilet. For utmost convenience, the first floor includes a powder room. Other features include one secure basement carpark, storage cage, European laundry, secure intercom entry and reverse-cycle split-system heating and cooling for year-round comfort. Set in an ideal location for everyday essentials, shopping, entertainment, and transport, situated close to both Essendon North and Niddrie shopping strips along Keilor Road, Niddrie Central Shopping Centre, DFO Essendon, Buckley Park, trams via Keilor Road for ease of access to the city and the Calder Freeway on-ramps to go further, this is truly an unbeatable lifestyle not to be missed.
