Located in sought after area this ground floor unit has a lot to offer. The bedrooms are bright and sunny and the lounge area enjoys a lovely garden outlook. The front patio area has some of the most stunning views to the East and North plus the unit steps out to a level and generous sized garden. The complex has seven units and is very well maintained with low body corporate fees. The esteemed neighbourhood consists high quality homes and has views across the city to the surrounding mountains. The property has its own car space and there are no stairs to access the unit. Perfect as an investment, for a couple, a single occupant or downsizer.
