First time offered on the market for over 15 years is this well presented, low maintenance townhouse flowing over one effortless level and enjoying a peaceful rear position in a select group of only 4. A timeless classic design introduces a well proportioned interior comprising 3 Bedrooms (or 2 double Bedrooms plus Study/3rd Bedroom) all featuring BIRs, elegant formal Living, modern Kitchen with Italian appliances and sunny casual Meals overlooking lovely secluded courtyard garden. Heating, air-conditioner and remote garage are included although with city bus at one end of the street and trams to Kew Junction at the other you may want to leave the car in the garage.
