Gracious, spacious and beachside lifestyle located, this is where period apartment living meets today's latte life! One of just 4 grand older-style apartments in this streetfront group, this 'half-floor' residence offers apartment living on the grandest scale with two king-size robe-fitted bedrooms, two large living areasand a leafy treetop position at the beach-end of the latte-strip. Newly painted, freshly carpeted and polished up with glossy solid hardwood floors, this impressive apartment offers a rare dual-living design with balconied living centred on a decorative fireplace, and an open-plan dining or casual zone encompassing an entertainers' Miele appliance kitchen with induction cooktop. Built with all the lofty proportions and solid-brick construction of the time, this up-scale home is styled for today with a sleek central bathroom positioned between the bedrooms to add to the peace and privacy, ducted heating and evaporative airconditioning, to add to the climate control. Secured behind auto-gates and intercom-entry with a private carspace, this boutique apartment is beautifully located just one block from the bay, this impressive apartment is situated where the retail and rail strip meets blue-chip beachside living; within 300m of the station, less than 10 doors to Triangle Gardens, around the corner from the beachfront walking and cycling tracks and a 28 minute commute to the CBD.
