If you have been waiting for a well-built, low maintenance townhouse in a boutique complex with reasonable strata fees and an easy walk to the beach.... your wait is over. Close enough to walk to the numerous restaurants, cafes and shopping that Terrigal has to offer but just far enough to enjoy the serenity. This generous three-bedroom townhouse is positioned at the back of only 4 well-built and beautifully maintained properties. The layout is traditional in style with a ground floor layout that begins with a proper entry foyer, guest powder room, kitchen and large open plan living-dining room that flows onto a 138m² back courtyard. Upstairs features three generous bedrooms with walk in robes, an ensuite and a/c unit in the main bedroom and a full bathroom with tub. A level driveway from the street makes parking in the double garage a breeze. Don't miss your chance to secure this fabulous property. • Large bedrooms all with walk in robes • Two bathrooms with separate powder room downstairs • Ample storage • Sunny private and very low maintenance yard • Large automatic double garage with internal access • Very quiet location and close to public transport • Two split system air-conditioning units • Short level stroll to Terrigal's famous beach
