The right home is always desirable, and what could be more desirable than a light-filled residence with easterly orientation along a walking-track, with Koonung secondary school a minute's walk down the road? Graced with Plantation shutters, polished timber flooring throughout and renovations that seamlessly blend the classic and modern style; this resplendent two bedroom family home is a must see. Occupying the north-wing of the property, two bedrooms with built-in robes enjoy calming pastel tones with plush carpeting to guarantee a relaxing and comfortable space. Stylishly presented, the homemaker kitchen is fully equipped with modern appliances and generous cabinet space. Enjoying an expansive setting amongst the surrounding canopy, the rear deck is an exceptional space to entertain friends and family. Barbeque with friends, dine with family, or relax in the privacy and seclusion afforded to being the rear residence on the block. Next door to the Gawler Chain reserve and pipe track, Mont Albert Reserve and Elgar Park are within easy reach. Complimenting the gorgeous local reserves and parks, is immediate proximity to Belmore shops, local cafes, and restaurants. Exceptionally located, you enjoy immediate access to the M3, and Box Hill Centro. The property is in the Birralee Primary School & Koonung Secondary School Zones.
