Nestled a mere stone's throw away from the energetic pulse of Balnarring Village, this contemporary 3-bedroom abode presents an unparalleled blend of modern comfort and convenience on a substantial 709 sq. metre (approx.) allotment. A distinct open-plan concept boasts a seamless flow between its living spaces and significant alfresco dimensions, making it ideal for a growing family seeking room to flourish or retirees desiring an effortlessly accessible sanctuary. A tiled entryway unfolds into a vast open layout beneath lofty 10ft ceilings, showcasing a cosy fireside sitting area and dining space separate from the light-filled lounge towards the rear. The rustic-modern kitchen with its concrete benchtops makes every culinary endeavour a delight, wrapping around dual ovens, a 900mm gas cooktop, a dishwasher, and a walk-in pantry. Adjacent to the kitchen is a covered deck and sunbathed terrace acting as an extension of your living space, preceding a sprawling yard that seems to stretch on forever. The master suite beckons with a walk-through robe and a designer ensuite, with two additional bedrooms around a central bathroom, toilet, and laundry. Designed for comfort and convenience with split-system air conditioning, ducted heating, a double garage and side gated access for secure boat/caravan parking, it sits mere metres from the delights of Balnarring Village, with easy access to Balnarring Beach and the greater Peninsula hinterland.
