Nearing completion, these properties include both an intuitive family living design and a premium build. Placed in a quiet side street, these townhomes are well positioned to schools, childcare centres, kindergartens, shopping centres, amenities, and reserves. The properties feature a sophisticated designer style complemented by a lovely neutral colour palette, space-maximising floor plans and will be enhanced by a landscaped courtyard. The sleek kitchens have 40mm stone benchtops and Artusi oven and cooktops. The homes will also include split-system heating/cooling, ducted vacuum, video intercom, security alarm and water tanks. The residences offer an elevated standard of living and allow you to experience a convenient lifestyle within walking distance of the Ford Park Playground, Darebin Creek Trail, Cyril Cummins Reserve, Bell Street bus services and Bell Street Mall. Close to Northland Shopping Centre, Ivanhoe Plaza, cafes, Heidelberg train station, La Trobe University and hospitals.
