Townhouse living at its best, this renovated property is finally ready for new tenants to move in and enjoy the close vicinity to Mary Street. Two storey with internal timber stairs, there's new tiles in the open plan living, dining and kitchen and there's reverse cycle air conditioning when the breezes through the large bay window aren't enough. The kitchen is quite spacious so you won't feel like you are confined and there's a toilet and laundry on the same level. Upstairs, 3 carpeted bedrooms all have built in robes and the ensuite to the main even has a spa bath. Coffee on the private terrace off the master bedroom or in your very own courtyard. Single lock up garage and off street parking nearby for guests. We are seeking very quiet tenants to fit in with the other 3 very quiet occupants of this fantastic set of townhouses.
