Auction \$600,000 - \$660,000

Conveniently positioned just a brief 3-minute journey from Box Hill Central and the bustling train station, this charming unit offers an unparalleled location for seamless urban living. Boasting two bedrooms, one bathroom, and a spacious one-car garage, this residence presents an ideal haven for couples, small families, or individuals seeking both comfort and connectivity in the heart of Box Hill. Upon entering, you're greeted by a welcoming living area, perfect for relaxation or social gatherings. The kitchen, adorned with modern appliances and ample storage, simplifies meal preparation, while the adjoining dining area sets the scene for enjoyable meals with loved ones. Both bedrooms offer ample space for rest and retreat, complete with built-in wardrobes for convenient storage. The centrally located bathroom exudes contemporary elegance with its fixtures and finishes. The unit's standout feature is its generous one-car garage, providing secure parking and additional storage space. With Box Hill Central's diverse shopping and dining options, as well as the train station's swift connections to various destinations, mere minutes away, this unit encapsulates the perfect blend of comfort, convenience, and connectivity in Box Hill's vibrant urban landscape. Photo ID required at all open for inspections.
