Come and enjoy this low maintenance easy care villa located in the heart of our vibrant health and education precinct. A generous living space with reverse cycle air conditioning flows through to the adjacent contemporary kitchen with electric bench top cooking, wall oven and dishwasher. Bedrooms two and three have built-ins and ceiling fans for comfort - the master enjoys the luxury of an ensuite, walk in robe and air conditioning. The design is well conceived with internal laundry and access from the auto garage. The design is level and a delightful courtyard gives you an excellent outdoor living space. Sorry, no pets.
