\$490,000

A studio with a big garden and even bigger views! Offering interesting options where you can live in and enjoy, have as a stopover for when in town, have as an investment or even use as a working Studio and let the views of the world do their thing! L-shaped bigger than usual courtyard, a prominent and historic St Kilda location with the gardens and the bay in front of you every day, condition pristine with carpark a bonus - an inspection will impress!
