Lifestyle - Blessed with a sunny north eastern aspect, this contemporary yet affordable apartment offers a low maintenance lifestyle and presents a fantastic opportunity to purchase in the increasingly popular Leichhardt market, just a short level walk to an array of popular local cafes, excellent restaurants and MarketPlace and Norton Street shopping precincts. Accommodation - Consisting of a double bedroom with mirrored built-ins, chic black and white bathroom, near new kitchen with stainless steel cooktop, washing machine and refrigerator. Private and comfortable living space with a lovely leafy outlook. Features - Quietly positioned on the 1st floor of a boutique complex, just a short walk to city buses and light rail services, and close to The Bay Run, local schools, this property is the perfect choice for first home buyers or astute investors seeking a solid return in a high growth suburb with rental \$420 per week approximately.
