Unassuming from the street, this top floor residence in a small development is ideal for the prudent investor or owner occupier looking for something with quirky appeal. Surprisingly spacious, this two-bedroom home draws lights from three sides, has no neighbours and offers a great terrace for outdoor dining. Air conditioned for year-round enjoyment and with stunning timber floors throughout the living areas, it's an ideal low maintenance property. Both bedrooms offer robes and large windows, the bathroom is neat and tidy and a separate linen press and laundry with sink helps keep the clutter down. A functional kitchen off the dining space offers a great space to whip up a meal when you are not out and about enjoying the local dining and an off street, undercover, parking space on title completes the picture. Close to shops and public transport this one should be on the top of your list to inspect!
