Engaging style and undeniable convenience are immediately apparent with this executive townhouse. One of four and quietly set at the back of a contemporary complex, this home instantly impresses with its spacious dimensions, quality finishes and zoned living. Upon entry you'll find a two bedroom sleeping wing (master with courtyard) serviced by a family sized bathroom with bathtub and Euro laundry. Upstairs reveals an open plan kitchen, dining and living zone framed by extra large windows that provide a stunning outlook of its urban landscape and hills in the far distance. Sliding doors open out to a paved balcony, perfect for indoor/outdoor entertaining. The lovely kitchen showcases stainless steel appliances and plentiful storage. Additional highlights also include, split system heating/cooling, solid timber floors, quality window furnishings and a secure carport from a the rear lane way. Enviably positioned within walking distance to local cafes, eateries, public transport, High Street shopping, the Preston Market, parklands and much much more!
