Move in Q2 - 2024 Step into the realm of sophisticated living with M3 Group's stunning 2-bedroom, 2-bathroom townhouse, featuring an additional elegant powder room, located at 48 Dundee Street in the heart of Reservoir. Achieving a remarkable 6-star energy rating, this home is designed for eco-friendly living without compromising on style, thanks to its design that provides superior insulation. Drawing inspiration from timeless architecture, this townhouse includes a spacious garage, melding functionality with finesse. The interior is a testament to modern luxury, boasting an open-plan layout, high-quality finishes, and an abundance of natural light that enhances the living spaces. Each bedroom is a haven of tranquility, complete with a master and modern ensuite, ensuring privacy and comfort. Positioned in a vibrant neighborhood, you'll have easy access to local parks, cafes, shopping centers, and schools. M3 Group is dedicated to setting new standards in living spaces, offering a home that's more than just a residence, but a lifestyle statement. These are truly Homes for Generations.
