Nestled perfectly to ensure utmost privacy and tranquillity, this charming villa unit is an original gem situated in one of Frankston's most highly sought-after areas and in the Frankston high school zone! With the hospital, university, botanical gardens, train station, central Frankston, and the beautiful beach just a short stroll away, you'll feel like you're a million miles from the hustle and bustle, yet conveniently close to everything. The home features a spacious and sunlit living area with air conditioning, two generously sized bedrooms, a well-appointed central bathroom, a separate laundry, and a family-sized kitchen that opens to a generous north/west-facing courtyard. Although there is a single lock-up garage, a car is not essential due to the abundance of amenities in the vicinity. Opportunities like this are exceedingly rare, and I highly recommend acting swiftly to secure this prime location.
