A true representation of airy modern living, this beautifully renovated two bedroom unit embraces a tranquil and secluded setting only a short walk from Frankston Beach, Kinetic Stadium and Frankston Hospital. A hassle-free living experience awaits beyond a private deck entry with built-in bench seating, revealing refined interiors set atop solid timber floors and awash in natural light. Generous and open proportions embrace airy living and dining spaces, where VJ panelling and a bold pendant light pay homage to an era that represented vibrant living and entertaining. Modern kitchen appliances and a casual breakfast bar setting afford easy hosting abilities, while a rear deck alfresco with private grassed yard presents as an extended entertaining domain with space for a small pet. Two light-letting bedrooms each with premium carpet and built-in robes share use of the stylishly renovated bathroom where quality hardware and high-grade finishes present alongside a combined shower and bath, and single vanity. A separate renovated laundry, split-system heating and cooling, rear garden shed, single carport and a FHSZ address headline the features of this immaculately presented home only moments from the clifftop of Oliver's Hill, Bayside Shopping Centre and Frankston Train Station.
