With a unique design spread over two levels, this appealing home offers excellent separation between living areas and bedrooms making it ideal for sharing. On the entry level an air-conditioned living area features direct access to a private balcony, with a leafy outlook and room to relax. Upstairs are two large bedrooms, both featuring built-in robes and ceiling fans. A well-appointed bathroom is also on this level. The property also includes a lock up garage. Located in a lovely quiet location, but very close to Greenslopes Hospital, a local mall shopping and vibrant dining in Stones Corner. This apartment offers outstanding value and is positioned in a premium position within a small boutique complex.
