New to Market

Nestled at the rear of a serene complex, this newly constructed two-storey townhouse offers an exceptional blend of style, space, and modern convenience. With three generously sized bedrooms, each featuring built-in robes and the master boasting a walk-in robe and an elegant ensuite, comfort is at the forefront of this design. A dedicated study nook provides an ideal space for focus and productivity, seamlessly integrating work-from-home capabilities into your daily living. The heart of the home is the expansive open-plan living area, where natural light spills across hybrid flooring, enhancing the sense of space and flow. The adjoining kitchen is a model of contemporary design, equipped with quality appliances and ample storage, making it perfect for casual family meals or entertaining guests. Double sliding doors open to a charming outdoor area, promising effortless indoor-outdoor living. Here, the low-maintenance yard awaits, perfect for relaxed gatherings and quiet afternoons outdoors. Convenience is key with ducted air conditioning throughout both levels, ensuring year-round comfort. Practicality is further exemplified by the presence of three toilets, including a discreetly placed one in the laundry area downstairs. Additional features include a secure, single lock-up garage with an automatic door and cosy carpeting upstairs, creating a warm, inviting atmosphere in the private retreats of the home. This townhouse is not just a residence; it's a lifestyle choice for those seeking tranquility, luxury, and the ease of modern living, all situated in a friendly community setting. - Ducted A/C on both levels- Dedicated study nook on upper level- Elevated views over Wallsend and surrounds- Quality finishing throughout*Disclaimer: images are taken from unit 5/51 Hill street, wallsend
