Nestled in a tranquil corner of our vibrant community, this exclusive complex of six luxury townhouses represents the pinnacle of modern living. Constructed by the renowned local builder, Live Green Homes, these residences offer a unique combination of architectural excellence and thoughtful design. Each of the six townhouses has been meticulously planned to strike a harmonious balance between form and function. The architectural design effortlessly marries contemporary aesthetics with timeless elegance. Offering views of the wetlands, the clean lines, expansive glass features, and a modern colour palette exude sophistication while fostering a sense of openness and connection to the surroundings. One standout feature of these townhouses is their clever positioning to maximize natural light. With a north-facing orientation, residents can revel in the sun's warmth throughout the day, creating an inviting and well-illuminated living space. Ample windows and open layouts further enhance this abundant natural light, seamlessly merging indoor and outdoor living.
