Welcome to Lorna6 in Seaford! WOW your family & friends with the BEST Looking Home in Seaford!! Call Cameron Now to Walk Through This Amazing Home!!! Like no other and in a class of its own, Lorna-6 is a residential development with beautifully designed architectural townhouses boasting a contemporary street appeal with uniqueness and character featuring high cathedral ceilings. The triangular geometric upper-level windows spill an abundance of light into the properties, creating cathedral ceilings with a sense of spaciousness and grandeur making each residence feel like a luxury getaway you've always dreamt about. With only 1 home remaining, it's ideal for young families, young couples, professionals, downsizers, or the astute investor. The notable features on the ground floor are the oversized functional open plan kitchen area, living & dining which lead you straight out into your very own private backyard via a classy black frame 3-panel stackable sliding doors, adding to the high-end feel of the home. There is also a separate laundry and a powder room for your guests. The home features high 4.6m cathedral windows to the master bedroom on the upper levels and 2.7m ceiling heights on the ground floor. Construction is due to be completed in February 2024 - Move In 1st Quarter 2024. Deposit Required: 5% deposit now with no progress payments until settlement. Perfectly located, only a short 600m walk to Kananook Train Station, 1km to Frankston Fwy, 1.5km to Seaford's pristine beach which is very popular among locals (view the image), close to Seaford Pier, where you will find cafés, food stores, and other retail outlets, 2.5km to Frankston Hospital & 3km to Bayside Shopping Centre. Lorna-6 is surrounded by various new & established childcare centers and both public & private primary & secondary school options for the kid's education, making it an ideal spot to live.
