Welcome to this opportunity to transform this property into a great retreat. Nestled on a generous 1,515 square meters of land in Invergordon is this 2 bedroom, 1 bathroom house. With some TLC and a creative vision, this property can be transformed into a great investment property or first home. Externally the property has a large garden and a great shed with power. Current owners have already purchased items for the renovation which can be included with the sale. The property is located 30 minutes from Shepparton and is a great opportunity for the handyman. Contact Bree on 0437 312 221 for your inspection today. Property Code: 4520
