It is rare to have anything in Essendon's 'best' street become available for rent. This large 2 BR unit at the rear of the block boasts a big NORTH FACING courtyard and is literally only minutes from a choice of train stations, shops, tram, schools and cafe strips. Comprises:- Wide entrance hall- 2 good sized bedrooms (BIR's) with built in robes- Spacious lounge with gas heating- Sunny kitchen adjoins meals/dining- Large modern bathroom- Separate laundry- Outdoor window awnings- Solid brick structure- Single lock up remote garage with additional space and shelving. A lovely opportunity to live in this glorious location.....so quiet and yet so close to everything.
